About Kreedo

We Are Kreedo!

2,500+	500,000+	50%	20,000+
Partner schools & preschools	Children Impacted	Better outcomes than market	Teachers & owners trained

We help schools unlock the power of activity-based learning or play-based learning by blending purpose with play. We transform schools and stand out as the best ones in their locality with phenomenal learning outcomes. Our curriculum creates a foundation for lifelong learning in children and pave the way for their future success. All this is made possible via Kreedo's play-based 6T learning and support framework.

Our Mission 2025 | Impact 1 million children partner with 7000+ schools

We started with not just one but many goals:

To make quality education available for every child

Provide education at affordable prices

Democratising early education

Collectively we call this our mission - To democratize quality early education
